The Association of Certified Fraud Examiners – SA Chapter (ACFE SA) is hosting an International Women’s Day event on 7 March 2024. This event is an annual occasion to honour the unsung heroes of our community – the women who are involved in the fight against fraud.

In support of the above, we invite you to contribute to the success of this event through participation and sponsorship.

This is an exclusive event for a select number – which is to be determined by the venue – of ladies. Guest speakers will be covering topics in relation to our theme for the year, “Glow Where You Go”.

We would like to invite your organisation to be represented at the event through a sponsorship. This will afford you an opportunity to market your business to potential clients who will be attending the event, as well as promote your organisation as a responsible corporate taking a stand against fraud and corruption while appreciating diversity and inclusion.
