SPONSOR & EXHIBIT

The Association of Certified Fraud Examiners, SA Chapter (ACFE SA) is pleased to host an International Fraud Awareness Week (IFAW) event. The IFAW is an annual international event dedicated to fraud awareness, detection and prevention.

This week champions the need to proactively combat fraud and assists in creating the necessary safeguards against the rising tide of fraud and corruption that impacts our economy. This year we are hosting various events in different regions hosted by the ACFE SA Regional Committees. Guest speakers are invited to cover a wide range of anti-fraud topics and companies and individuals are encouraged to initiate fraud awareness campaigns that promote fraud awareness and education to the public.

The wide range of anti-fraud topics at our events aim to educate and inform attendees as well as equip them with practical skills to overcome daily challenges and minimise the impact of fraud and corruption.

Each of our IFAW events has sponsor and exhibitor opportunities that will provide you and your company with an opportunity to promote your organisation as a responsible corporate taking a stand against fraud and corruption. Please take note that if you have a sponsorship proposal that is not outlined below, feel free to contact our Training and Development Officer at anita@acfesa.co.za to discuss customised packages.
